

Beneath The Sea's 16th Annual Marine Careers Day

March 27, 2026, Meadowlands Exposition Center, Secaucus, NJ

This email contains INFORMATION about the BTS Marine Careers Day occurring on Friday March 27, 2026 from 9 AM – 3 PM, and related 'exhibitor' information. We hope that your institution will consider being an exhibitor at Marine Careers Day. Marine Careers is designed for young people being offered options for future professional endeavors. Our attendees are in high school, 'gap years', college, and other young adults.

About BTS Marine Careers Day

This is the 16th year for BTS Marine Careers Day, and it is being held on Friday, Mar 27, 2026. It's the first program of the Beneath The Sea weekend, which runs from Mar 27 through Mar 29, at the Meadowlands Exposition Center, in Secaucus, NJ.

Details of the Program

The Marine Careers Day program, which is offered free to young adults, is one of Beneath The Sea's Education and Exploration Initiatives programs, which includes (1) Marine Careers Day, (2) Sea of Tomorrow Scholarship Program, and (3) Ocean Pals Air-in-Education Program. There is no fee for YOU to exhibit at the Marine Careers Day program. Your organization's participation will help to educate the youth of today about the quest to protect our oceans.

The Marine Careers Day program is comprised of speakers, exhibitors, and interactive demonstrations. We offer a scheduled day to ensure that young people are provided with as much exposure as possible to the variety of careers and educational opportunities that are available to them.

To take advantage of this free advertising opportunity, let us know by March 16, 2026 if you would like to be an exhibitor at: MarineCareers@BeneathTheSea.us.

On the website below, you'll find more information and registration documents. You'll also be able to download the Marine Careers Day 2026 flyer which includes the individual and group registration hyperlink and QR code.
